#	Agenda Item	Summary
		d) One-Stop Operator's Report <ul style="list-style-type: none"> • Ms. Bayless, One-Stop Operator, shared that workforce center staff are passionate about what they do and their ideas are valuable. She presented a binder that turns into a flip chart containing the services available at the workforce center by the various agencies. This particular design was created as an outreach tool for employers. e) Election of Committee Chair <ul style="list-style-type: none"> • Ms. Fryar nominated Mr. Martinez as Chair of the One-Stop Committee, seconded by Mr. Padilla. By unanimous consent, motion carried.
7.	Public & Member Comments	Mr. Martinez stated the Site Manager role at each workforce center is appointed by the One-Stop Operator. He would like to see an official appointment process that includes having a specific job description for the position so everyone, including staff, will know their responsibilities. Mr. Martinez also mentioned that the Eastern region is now offering additional compensation for the Site Manager position. Site Managers are already working a full-time job and when appointed as Site Manager, they are asked to go above and beyond and manage the center without additional compensation. Mr. Martinez likes that idea and suggested that the Committee give the idea some thought and perhaps we can see how it works for the Eastern region before introducing it in the Southwestern region.
8.	Next Meeting	Thursday, January 10, 2019 at 1:00 p.m. after the SAWDB Board meeting. Because the Board meeting ended after 12:00 p.m., there was not enough time for the committee members to get lunch before this meeting. It was agreed to have a working lunch for the January 10, 2019 meeting.
