New Mexico Workforce Region IV, Southwestern Area New Mexico Workforce Connection in all seven counties: Catron, Doña Ana, Grant, Hidalgo, Luna, Sierra, Socorro

PURPOSE

In compliance with the Consolidated Appropriations Act, 2017, the Southwestern Area Workforce Development Board will inform the public of how much funding comes from Federal sources in any program, project, or grant activity when issuing statements, press releases, requests for proposals, bid solicitations, and other documents describing its projects or programs funded in whole or in part with Federal funds.

In compliance with Code of Federal Regulations Title 29, Part 38, Subpart B, the Southwestern Area Workforce Development Board will provide notice in communications of the nondiscrimination and equal opportunity provisions of the Workforce Innovation and Opportunity Act (WIOA) which are contained in section 188 of WIOA (29 U.S.C. 3248)

In compliance with the Department of Workforce Solutions Guidance Letter DWS 16-005, One-Stop Common Identifier, we add specificity to broad definitions and provide additional guidance in response to regional activities. The unified branding is to avoid confusion with the public.

BACKGROUND

Public Law 115-31 – May 5, 2017, Division H, Title V, Section 505, stipulates when issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with Federal money, all grantees receiving Federal funds included in the Act, including but not limited to State and local governments and recipients of Federal research grants, shall clearly state –

- A. The percentage of the total costs of the program or project which will be financed with Federal money;
- B. The dollar amount of Federal funds for the project or program; and
- C. Percentage and dollar amount of the total costs of the project or program that will be financed by non-governmental sources.

Section 188 of WIOA prohibits discrimination on the basis or race, color, religion, sex, national origin, age, disability, or political affiliation or belief, or, for beneficiaries, applicants, and participants only, on the basis of citizenship status or participation in a WIOA Title I-financially assisted program or activity.

Attachment A, Workforce Guidance Letter DWS 16-005, indicates that the U.S. Department of Labor established the “American Job Center” network, a unifying name and brand that identifies online and in-person workforce

development services as part of a single network of publicly funded services. The one-stop delivery system must use the unifying name or tag line phrase, "A Proud Partner of the American Job Center Network". The Department of Workforce Solutions adopted the tag line phrase and requires the use of the revised logo as the common identifier. The goal of a common identifier is to provide an easy way for job seekers and employers to locate, recognize, and access workforce development services and provide a consistent identity of our network of Workforce Connection centers across the state.

Workforce Guidance Letter DWS 16-005 has specified using ONLY the unified branding.

J. Additional Regional Branding Requirements

- 1) The regional website (www.employnm.com) and linked social media accounts will be managed by the Southwestern Area Workforce Development Board's Administrative Entity. - 2) Per DWS 16-005, the New Mexico Workforce Connection Logo cannot be altered or distorted in any way. In an effort to increase accessibility in the Southwestern region, the following additional guidelines are in place:
 - a. When possible, use the full-color logo with white background. Do not use a transparent logo.
 - b. Logo must have white space around it. White space prevents crowding of the logo from images, text, or other graphics that compromise its visibility. The more space around the logo, the greater the impact it can have. The amount of white space around the logo should be equal to or greater than the height of the logo. For example, if logo is 1.0" in height, white space above and below, left of and right of the logo, must be equal to or greater than 0.5". The minimum space in this example would be 0.25" on all four sides.

- c. If a document will contain no color, black and white only, use the black and white logo. Machines such as a monochrome printer, single color copier, fax machine, will grayscale a color logo and degrade the quality. The logo's visibility will be compromised. It will look faded.

New Mexico Department of Workforce Solutions State Administrative Entity (NMDWS) Workforce Innovation and Opportunity Act (WIOA)	Workforce Guidance Letter: DWS 16-005
	Subject: One-Stop Common Identifier
	Date: February 20, 2017

PURPOSE. To provide guidance, process, and deadlines for the implantation of Section 121(e)(4) of WIOA requiring each one-stop delivery system to use a common identifier on all products, programs, activities, services and electronic resources, facilities, and related property and new material.

REFERENCE(S).

- Workforce Innovation and Opportunity Act (WIOA), July 22, 2014.
- WIOA Joint Final Rules for One-Stop System Joint Provisions – U.S. Department of Labor (Title I), Rehabilitation Services Administration (Title IV), Office of Career, Technical, and Adult Education (Title II): 20 CFR, Parts §678.300, §678.310, §678.800, §361.300, §361.310, §361.800, §463.300, §463.310, §463.800, One-Stop Certification.

BACKGROUND. The U.S. Department of Labor’s Employment and Training Administration (ETA), Education’s Office of Career, Technical, and Adult Education (OCTAE), Office of Special Education and Rehabilitative Services’ Rehabilitation Services Administration (RSA), and HHS’s Administration for Children and Families established the “American Job Center” network, a unifying name and brand, that identifies online and in-person workforce development services as part of a single network of publicly funded services. The one-stop delivery system must use either that common identifier as its name, or use the tag line phrase, “a proud partner of the American Job Center network.”

New Mexico Department of Workforce Solutions (NMDWS), as the State Administrative Entity for the implementation and oversight of WIOA, has adopted the tag line phrase, “A Proud Partner of the American Job Center Network.” Specifically, NMDWS is requiring the replacement of existing New Mexico Workforce Connection Center logos with the revised logo below where appropriate. This includes updates to website pages and documents accessed through the New Mexico Workforce Connection online system, NMDWS web portal, NMDWS Intranet, and other related sites. In addition, all printed materials that are copied and distributed for specific events and meetings, and all related publications and handouts which include references to the New Mexico Workforce Connection Center logo must also include the revised logo and adhere to the branding guidelines.

The goal of the proposed logo adoption is to provide an easy way for job seekers and employers to locate, recognize, and access workforce development services. The adoption of the new brand will also provide a consistent identity of our network of Workforce Connection Centers across the state.

A Proud Partner of the American Job Center Network

Action, Requirements & Timeframes. To identify the Workforce Connection Centers as part of the American Job Centers Network, each one-stop New Mexico Workforce Connection Center and every Local Workforce Development Board is required to use the revised New Mexico Workforce Connection Center logo on websites and in outreach materials whenever the New Mexico Workforce Connection Center or LWDB name is displayed. This effort should be undertaken wherever practical, and without a great deal of effort or redesigning of your materials and websites. The NMDWS Office of Communications, Marketing & Government Affairs will be providing all the New Mexico Workforce Connection Centers with publications and outreach material that include the new logo on a continual basis and upon request.

Efforts are currently underway to purchase new signage for all state owned facilities. NMDWS has begun the process to evaluate signage needs and has funds available for the purchase of new signs. Locations under lease agreements are encouraged to review cost for changing signage to adopt the new logo.

The timeframe for adopting the required rebranding varies depending on the material:

- March 1, 2017, each one-stop center must begin incorporating the new logo that includes the tag line phrase “A Proud Partner of the American Job Center Network” on all primary

electronic resources used by the one-stop delivery system and on any newly printed, purchased, or created materials.

- July 1, 2017, each one-stop delivery system must incorporate the new logo that includes the tag line phrase “A Proud Partner of the American Job Center Network” on all products, programs, activities, services, electronic resources, facilities, and related property and new materials used in the one-stop delivery system.

NMDWS will not object if the one-stop center continue to use printed materials that do not contain the logo with the tag line phrase if they were created before March 1, 2017.
